## 1967 - 2021

### *The Golden Era*

H. H. Shreemad Shree Vidyadhiraj Teerth Shreepad Vader Swamiji the 23rd Mathadhipati of Shree Samasthan Gokarn Partagali Jeevottam Math, the great spiritual master and leader of yester century, led the GSB Society Godward through His life and teachings for more than 54 years. A Pontiff enlightened, an erudite, eloquent, chaste, pious, punctilious, pragmatic, proactive, philanthropic and gracious guide - that was our Shree Swamiji - a unique and divinely noble being.

H. H. Shreemad Shree Vidyadhiraj Teerth Shreepad Vader Swamiji, the 23rd Mathadhipati in the illustrious Math tradition, was at the helm of affairs of the Math and guided the GSB community towards comprehensive development – spiritually, culturally and socially. H.H. Swamiji had a profound knowledge of the Hindu Theology due to His in-depth study of Vedas, Shruthis, Smritis, Upanishads, Jyothisha, Yamaka Bharata of Shree Madhwacharya, Dashaprakarana, Nyayasudha and many more literary works. His discourses being a reflection of this vast treasure of knowledge, were eloquently soul-stirring and enlightening to the devotees. Swamiji's very presence exuded grace and spiritual aura to any venue.

His Holiness' extraordinary oriental and occidental knowledge led to inimitable and immeasurable wisdom, that was imparted to all the devotees of the Math over many decades. H.H. Swamiji's guidance on religion and spirituality instilled a deep sense of devotion and faith in all of our hearts. His blessings and teachings have helped us inculcate a holistic

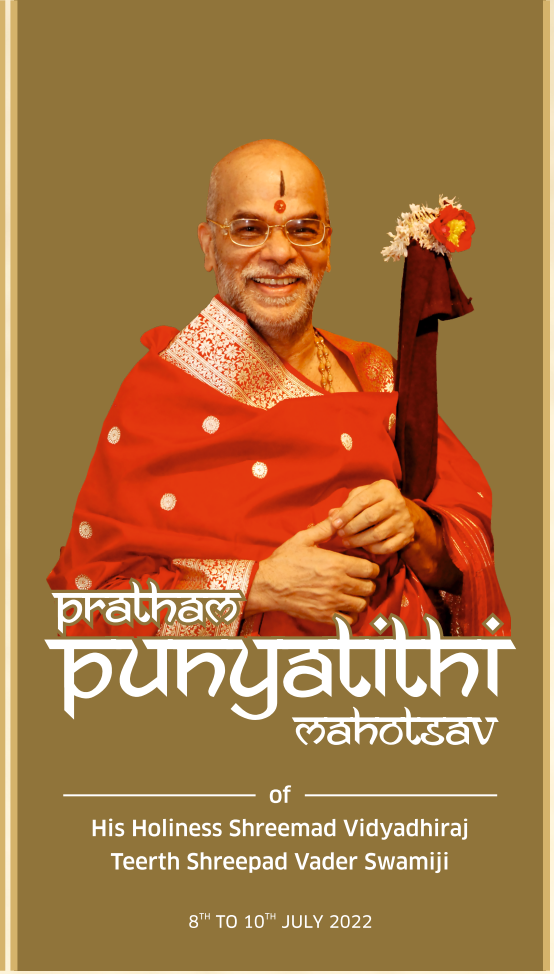

perspective in our day to day life. Swamiji has blessed us with an overwhelming clarity of life and the zeal to develop ourselves spiritually towards achieving the greater good. Mere "Naama Smarana" of H.H. Swamiji gives us the courage to face any challenge that comes up in this worldly life and attribute a philosophical dimension to it.

H.H Swamiji had performed many "Tapa" and "Teerth Yatras" adhering to the strictest standards of codes prescribed in Math tradition, even braving a padayatra in the Himalayan terrain in severe weather conditions marked by icy blizzards. This was in the year 1998, when to the wonder of His followers, Shree Swamiji traversed 350km on foot, for 30 days altogether with minimal protective gear to complete the "Gandaki Yatra".

Shree Swamiji's positive role and proactive disposition saw many a dilapidated temple of the community being renovated. The Maths in Ankola, Varanasi, Karwar, Venkatapur, Bhatkal, Partagali, Gangolli, Manki, Yallapur, Vasco and Mangaluru were restored, and proper worship was ascertained at each of these places. His Holiness worked for the comprehensive spiritual, cultural and social well-being of our society and country.

H.H Swamiji blessed several institutions and activities in various fields including Vedic Studies Contemporary Education, Healthcare, Annadana, Old Age Homes, Support for the aged and infirm etc., for the welfare of one and all. Swamiji's blessings and memory continue to guide us every moment of our lives.

Under the guidance of  
H. H. Shreemad Vidyadheesh Teerth  
Shreepad Vader Swamiji
